## Rural Development Network of the Republic of Macedonia

The union of civil associations Rural Development Network of The Republic of Macedonia – “RDN of RM” was established in March 2010 in Skopje, as a movement organized at national level to provide a voice for rural communities in the Republic of Macedonia.

Rural Development Network of the Republic of Macedonia, (RDN of RM) represents the main rural development movement in the country. Currently RDN brings together 89 CSOs as members represented at the RDN Assembly and is working closely with about 1,500 rural leaders.

**Advocacy**  
Rural Development in the Western Balkan Region and Turkey - Empowering Rural Stakeholders and the LEADER approach.

**Building the capacities of rural CSOs**  
for networking and advocacy to enhance their impact and involvement in development of public policies and decision making processes.

**LAGs' stakeholders**  
Affirmation of LEADER approach and capacity building

**RDN's Project Mechanism tool**  
Support of networking and local initiatives.
